I understand that the \$25 non-refundable registration fee will be credited toward the total course fee and will insure the above student a place in the class beginning _____ provided it is one of the first 25 pre-registration forms received.

You will receive a \$50 discount by paying a balance of \$375 the first day.

With a payment of \$75 the first day, you may set up a payment plan and choose either two payments of \$175 or four payments of \$87.50 for a total of \$450 (no discount).

If for some unexpected reason, the student is unable to attend the original session or the class is full, the pre-registration fee will be applied to a future session subject to space availability. Please call or e-mail to confirm a spot in such a case.
